16th October, 2019

Thank you for your support of the upcoming cricket gala day. Please find attached the copy of draws and information needed for the day (Thursday 24th October). All teams must meet at South Dalton Park by 9:00am. The day will begin with an introduction and welcome. Please note that the first game will begin at 9:15am.

All equipment will be supplied on the day. Children may bring their own bats if they wish, however no responsibility will be taken by the school or organisers should the bats get lost, stolen or damaged. Children must be responsible for their own equipment on the day. As we are using soft balls, no protective equipment such as pads, is necessary. The pitches are also on grass, so no studded shoes are required either. Normal joggers can be worn.

Rules are attached, we will follow the 8 a side format. Please make sure you bring enough copies of each for each of your teams. Scoresheets are optional and will not be collected on the day, as the focus of the day is for enjoyment rather than competition. These are for the benefit of the children in that they might like to keep track of their individual results during the game.

There will be a set recess (10:45-11:00) and lunch break (12:30-1:00) between the games. **Please note, the canteen WILL NOT be open.** We have organised for a couple of food and coffee vans similar to last year.

Please be aware that the games are being played across six playing fields, we will have a NSW Cricket Development Officer and / or Nazareth Staff at each ground for supervision and two first aid officers will be supplied. Due to the spread of the grounds, please make sure that each team has a teacher / manager to assist them. We would also recommend that schools supply a first aid kit with bandaids etc for each team.

Cricket NSW have also asked that teachers bring a list of any students participating in the day who DO NOT have photo / web permission. They will have officers there taking photos and videos and will need to know if there is anyone who does not have permission for their photo to be used.

We have contacted Edmund Rice College to try and get some umpires to help us out on the day, but we don't have confirmed numbers. Please notify your team managers that they will need to be prepared to umpire games if need be.

Please contact us if there are any problems,
Amy Moran and Michelle Masterson
